## WINNIPEG, June 25, 2020

Manitoba 150's free summer concert, Unite 150 presented by Bell MTS, has been rescheduled for Saturday, June 26, 2021.

Manitoba 150 will announce the exciting and diverse line-up of artists and activities at a later date, but confirms that Bachman Cummings will remain as the event headliner.

Few performers can boast a set list as impressive as Randy Bachman and Burton Cummings. Collectively and individually, Bachman Cummings' catalogue is the envy of every artist. The Guess Who, Bachman-Turner Overdrive, Burton Cummings solo: together theirs is the Great Canadian Songbook and an integral chapter of the Manitoba story.

Members of the Canadian Music Hall of Fame, Canadian Songwriters Hall of Fame, Canadian Broadcasters Hall of Fame, the Canadian Walk of Fame, the first ever inductees into the Prairie Music Hall of Fame, recipients of the Order of Canada, the Order of Manitoba, the Governor General's Performing Arts Award and several Broadcast Music Industry awards for over 1 million airplays, Randy Bachman and Burton Cummings are Canadian rock 'n' roll royalty.

Planned to be held in front of the Manitoba Legislative Building, Unite 150 presented by Bell MTS and supported by CN, Diageo, and Pratts will also be available on livestream at CTVWinnipeg.ca.
